my art

Introduction

My landscape photographs are available for sale as limited edition prints as well as stunning large format canvas prints.

Prints

All prints are gloss prints on Fuji professional papers unless specified otherwise. Prints are archival with a fade resistance of 150 years.

Mounts

All mounts are white and made of archival grade acid free board. All mounted work is dry mounted, signed and titled by Martin Pettinger.

Frames

All framing is contemporary aluminium framing in either frosted silver or gloss black. Standard glass is used.

Canvas

All canvas art is high-class Italian canvas which is based on natural cotton. The frame is made of Scandinavian wood.

Timescales

Everything is made to order, as such orders may take up to four weeks to process upon receipt of payment.

Delivery

Artwork maybe collected by appointment from my studio. Alternatively artwork can be sent at additional cost via courier.
